Who Are We?

Union County Agency Transportation Service (UCATS) is dedicated to transporting Union County residents to both medical and personal appointments. We currently have five full-time drivers, 10 fully wheelchair accessible vehicles, and we currently have contracts with Union County Job and Family Services, Senior Services, the Veterans Services Commission, and now we can transport clients with ADA defined disabilities.

How Do You Get A Ride?

First time riders can fill out our online '**New Rider Digital Form**' or contact our dispatcher at **(937) 642-5100**. Trip requests are based on a first-come first-serve availability. At least 24-hour notice is needed for in-county trip requests, and at least 3 business days (72 hours) notice is needed for out-of-county trip requests. Any special accommodations or disabilities should be disclosed on the digital form or with the dispatcher at the time the trip is scheduled (i.e., do you need a wheelchair accessible vehicle, do you have a service animal or personal care attendant, will you be bringing an oxygen tank, etc.).
